## HELP WANTED

**Excellent opportunity** for a nearly retired dentist who wishes to work very reduced hours preferably every Wednesday and Mon-Fri 8-4 when Dr. Bereznicki-Szyling is away. This arrangement is very flexible. Please contact Dr. Bereznicki-Szyling at 780 488 2822 or [mszyling@shaw.ca](mailto:mszyling@shaw.ca)

**Part Time Associate Wanted** We are in search of a part time associate who is motivated, enthusiastic, and wanting to earn some extra income in a general practice office in the south side. At the moment, we are looking for someone to work Tuesday/Thursday, hours 8-5 to start, and then possibly adding the Wednesday.

Depending on how things go, perhaps in a few months to work full time, with the possibility of future partnership/practice ownership options. If you might be interested, please email your resume to [wdental.office@gmail.com](mailto:wdental.office@gmail.com).

**Associate Wanted** Mall practice looking for an associate to work 4 days per week. We are an assignment office that schedules regular patients as well as emergency patients on a daily basis. The ideal individual must be able work Thursday 1-9 pm, Friday 11am -7 pm, Sunday 10am-6pm and a minimum of 2-4 Saturdays per month from 9-30am-5:30pm. Interested parties contact

Dr. K. Quon [kenquon@telusplanet.net](mailto:kenquon@telusplanet.net)  
or Vanessa at  
[vanessa@bonniedoondentalclinic.com](mailto:vanessa@bonniedoondentalclinic.com)

## Edmonton Dental Assistants Association

The Edmonton Dental Assistants Association has operated a **complimentary** Employment Registry service since 1968 to help area employers find suitable staff. Dentists, self-employed Dental Hygienists and Denturists may contact the EDAA and utilize this service as an efficient and effective way to fill staff openings. Many employers prefer to hire from our registry

rather than place a newspaper or online advertisement. This service will save you time and money as well as guarantee that applicants are current members of the EDAA.

The EDAA has members that are Registered Dental Assistants, Dental Receptionists and Dental Hygienists.

These members are qualified and available to fill a variety of positions in dental and dentally related work environments.

**Employers may contact the EDAA by phone/fax 780-987-2022 or email: [edaa@interbaun.com](mailto:edaa@interbaun.com)**

New users will be asked to read, sign and return an Employer Statement of Understanding that outlines EDAA policies in regard to use of our registry. Once this form is received we will open a file for that employer. A request form may then be sent to the EDAA anytime the employer has a position to fill. The form provides us with details of the position and the qualification required to fill that position. We will post the job on our registry and send the employer our current list of members available and looking for work. The employer may contact anyone on the list that matches in qualifications and types of position required and ask that individual to send them a resume or attend an interview. EDAA members that are not on the list we send to the employer are also able to access the job postings and apply directly to the employer if they are interested and have qualifications that match what the employer has requested.

The job market is constantly changing and it is nice to know that a local professional association for dental auxiliaries provides you with an easy to use service and maximizes your opportunity of finding a suitable candidate quickly. **Contact the EDAA Employment At 780-987-2022.**

## REQUEST FOR INTERVIEWERS FOR THE 2016 FIRST YEAR DDS CLASS

The School of Dentistry is beginning to make arrangements for conducting approximately 105 interviews for the 2016 first year dentistry applicants. If you are interested in volunteering as an interviewer, please contact the School of Dentistry Admission Office at [admissions.dentistry@ualberta.ca](mailto:admissions.dentistry@ualberta.ca) or (780) 492-1319 by December 1, 2015.

We require all individuals interested in participating as an interviewer to attend the Interview Training Workshop to learn more about the Multiple Mini Interview process and have the opportunity to be calibrated. In the past, Continuing Education credit has been granted for participation in the workshop. Interviewers who have completed the Interview Training Workshop within the last two years are not required to repeat the workshop.

Without the valuable support of volunteer interviewers we would not be able to have an interview process for prospective students. You have considerable experience and insight into the suitability of candidates, so we urge you to volunteer a few hours to help assess potential students. The results of an interview can have significant influence on a candidate's placement in a class of 32 students.

In preparation for selecting the 2016 year one class, the School of Dentistry will be holding an Interview Training Workshop on Saturday, February 6, 2016 from 9:00 am to 1:00 pm for all interviewers.

The admission interview day has been scheduled for Saturday, March 5, 2016.

Your assistance is most appreciated by the Admissions Committee.
